Plans for basic amenities in slums in the country

*192. SHRI SHANKER SINH VAGHELA:

SHRI PRAMOD MAHAJAN:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it appears likely that slums would continue for long in some form or other and therefore Government are thinking to provide them some basic amenities; and

(b) if so, what plans Government have in this regard and the targets fixed for 1988-89 and the coming year?

THE MINISTER OF URBAN DEVELOPMENT AND THE MINISTER OF TOURISM (SHRIMATI MOHSINA KIDWAI): (a) Considering that urban slums cannot be completely eradicated in the near future, the present policy of the Government emphasises environmental improvement of urban slums *in situ*, rather than their massive clearance or relocation.

(b) Basic amenities like drinking water supply, sewers, storm water drains, community baths and latrines, widening and paving of existing lanes street lighting etc. are provided in urban slums under the State Sector Scheme of Environmental Improvement of Urban Slums (ETUS. Against the 7th Plan target of coverage of 9 million slum dwellers under the scheme 5.73 million slum dwellers have been covered during the first three years. The balance is expected to be covered during the last two years of the Plan.
